Subject - Amendment of the existing Market Bye-laws
of Tumkur Town Municipality - Tumkur
=====

In forwarding herewith in original the connected records received from the President Town Municipal Council Tumkur on the above subject, I have the honour to state as follows

The existing draft bye-laws framed by the Tumkur Town Municipal Council in this behalf were sanctioned by Government in their order No L 1894-5/M.1.57-40-11 dated 29.1.1940. The present amendment has been resolved upon with the object of increasing the income of the municipality. The same is expected to yield an additional revenue of Rs 1000/- per annum. Objections were called for to the proposed amendment as required by the Town Municipalities Act.

The main objection is from stall-holders in the market who pray for exemption from the levy of gate-fee in view of the recovery of stall-rent. Their objection was considered by the Municipal Council and rejected for the reason that the stall rent which is for the occupation of reserved space in the market is quite different from gate fee which is levied on commodities brought into the market. The practice in the markets at Bangalore and Mysore also has been to levy both the fees. The objection raised is not tenable and has been rightly overruled by the Municipal Council.

I therefore request that sanction of Government may be kindly obtained to the proposed amendments of the Market Bye-Laws. The several objections received from persons interested in this

this behalf are also enclosed for perusal

I have the honour to be,
Sir
Your most obedient servant,
N. M. S. S. S.
Deputy Commissioner,
Tumkur District
